

A training & event solutions provider

"Our Customers are Our Priority!"

## We have a cutting edge over others in delivering our services:

- As member of the SEDC Sarawak's Tourism & Leisure Group, we have direct access to our other group members which include hotels and resorts, tourist attractions (Sarawak Cultural Village, Kuching Waterfront, Damai Golf & Country Club, Matang Family Park, and Topspot Food Court) and shopping complexes.
- With this, we can offer colourful a la carte event concepts such as holding your training sessions/events at the most unconventional venues with choice selections of themed parties, Village stays, rounds of golf/golf clinics and Sarawak dance and crafts-making sessions spiced with Sarawak traditional cuisine and delicacies. For more conventional choices, your events can be held at hotels and event halls complete with a choice of local or international food and beverage menu spread.

## Our Customers are Our Priorities!

Our team is committed to provide quality services with a sense of professionalism. We are dedicated to ensure that your events, be it training or others, would meet your requirements through systematic planning, creativity and innovation towards successful implementation of the events.

We have established strategic alliances with reputable trainers and speakers, other event management and industry-support companies, giving us the advantage to easily provide a total solution for your events/training programmes. This includes development of your training/event programme, accommodation, ground-handling, site set-up, and development of your promotional collaterals.
